Professional Teaching

All teaching professionals are expected to develop and improve their work and practice across three core domains

Professional Teaching Standards and Associated Skills

Domain	Skills
Teaching Knowledge & Understanding	Learning & Development
	Subject Matter Expertise
	Research & Analytical Skills
Teaching Practice (Pedagogy)	Instructional Design & Development
	Instructional Tools & Activities
	Classroom Management & Student Engagement
	Assessment
Teaching Professional Relations	Professional Collaboration
	Community Engagement
	Professional Development
